

Experienced Speech Pathologists & Occupational Therapists

Join Raise the Bar Clinics highly regarded
neuroaffirming assessment team!

Team: Multidisciplinary Neuroaffirming Assessment Team (Joining our existing Psychology Assessment Team)

Focus: Comprehensive Assessments & Parent/School Consultation Only (Zero Ongoing Therapy Required!)

Locations: Heatherton | Clyde North | Moonee Ponds | Sale | Melbourne based schools

Work Type: Flexible Hours / Part-Time Options (Subcontractor or Employee)

Raise the Bar Clinic acknowledges the Traditional Custodians of the lands on which we live and work. We pay our respects to Elders past, present, and emerging, and warmly welcome Aboriginal and Torres Strait Islander practitioners to our team.

Ready to step away from or reduce ongoing therapy and focus on high-impact diagnostic assessments?

We are expanding our highly regarded assessment service! We are looking for experienced Speech Pathologists and Occupational Therapists to join our established team of Psychologists to deliver gold-standard, collaborative, neuroaffirming assessments and consultations.

If you want to reduce back-to-back intervention sessions for deep, clinical assessment work, while working flexible hours and having the autonomy to set your own schedule, this role was built for you.

Why You'll Love Working With Us

- **100% Assessment & Consultation:** Focus exclusively on comprehensive assessments, strengths-based report writing, feedback sessions, and parent/school consultations as required. No ongoing therapy caseloads!
- **True Multidisciplinary Collaboration:** Work alongside our skilled Psychologists (and fellow SPs/OTs) to deliver standalone discipline specific assessments and integrated neurodevelopmental assessments.
- **Next-Level Admin Support:** Say goodbye to scheduling, billing, and endless admin. Our dedicated admin team handles the operational load so you can focus entirely on clinical care.
- **Ultimate Schedule Flexibility:** Choose your own hours and days. Perfect for practitioners wanting a better work-life balance, reduced hours, or room to grow their own practice under our umbrella.
- **Beautiful Workspaces & Easy Parking:** Work out of modern, comfortable clinic rooms with nearby cafes, easy parking, and a warm, supportive team culture.
- **Reputation for Excellence:** Join a clinic widely recognised for its neuroaffirming and family-centred approach to care.
- **Above award remuneration:** Be generously rewarded for your valuable time and expertise.

The Roles & Clinical Scope

We are seeking practitioners to provide targeted assessments to support access to evidence-based intervention, educational adjustments and support, funding, and neuro-affirming care.

Speech Pathologists

- Conduct **receptive, expressive, literacy, and pragmatic language assessments**.
- Contribute to comprehensive **Autism, ADHD, and Learning Disorder** assessments.
- Provide actionable, neuroaffirming recommendations and school/parent consultations.

Occupational Therapists

- Conduct **sensory processing, motor skills, and Functional Capacity Assessments (FCAs)**.
- Contribute to comprehensive **Autism, ADHD, and Learning Disorder** assessments.
- Deliver practical environmental, sensory, and functional recommendations for home and school settings.

Client Focus: Preschool, primary, and secondary school-aged children with a range of learning or developmental concerns, with flexible opportunities to extend into adult assessments depending on your clinical interest.

Quality & Record Keeping: Maintain exemplary clinical documentation and record-keeping in full compliance with health privacy legislation (including the Privacy Act 1988 and Health Records Act 2001 (Vic)).

Locations & Assessment Tools

- **Locations:** Work flexibly across our modern clinic spaces in **Heatherton, Clyde North, Moonee Ponds, and Sale**, or conduct school-based assessments across Melbourne. Flexibly work from home for telehealth appointments and report writing.
- **Regionally based practitioners** across Victoria are encouraged to express interest as we have future growth plans to expand access to more regional communities.
- **Assessment Tools:** Bring your own trusted assessment kits, or easily rent assessment tools directly from our comprehensive clinic library.

What We're Looking For

Professional Credentials & Screening Requirements

- **Speech Pathologists:** Certified Practising Speech Pathologist (CPSP) status with Speech Pathology Australia (SPA).
- **Occupational Therapists:** Current AHPRA Registration as an Occupational Therapist.
- **Mandatory Screening:** Valid Victorian Working with Children Check (WWCC) and a current National Police Check (issued within the last 12 months).
- **Pre-Employment Check:** Willingness to complete standard identity, qualification, and reference checks prior to commencement.

Clinical Skills & Mindset

- **Experience:** Proven clinical experience in comprehensive diagnostic assessments and differential formulation.
- **Neuroaffirming Practice:** A deep, demonstrated commitment to neuroaffirming, strengths-based, and family-centred care.
- **Collaborative Mindset:** Enthusiasm for working closely with Psychologists and allied health colleagues to piece together complex diagnostic profiles.

Cultural Inclusion Statement

Raise the Bar is committed to First Nations self-determination, inclusive employment practices, and cultural safety. We strongly encourage applications from Aboriginal and Torres Strait Islander practitioners.

How to Apply

If you are an experienced SP or OT looking for assessment and consultation focussed work, top-tier admin support, and a collaborative team environment, we'd love to hear from you.

- **To Apply:** Please send your CV and a brief cover letter highlighting your assessment experience and neuroaffirming approach to info@raisethebarclinic.com.au
- **Confidential Enquiries:** You are welcome to schedule a time with our Managing Director Hayley Anthony (hayley@raisethebarclinic.com.au) for a confidential chat about how this role can fit your goals.
